Graphic Designer - Web Developer - Video Producer - April 1992 - Present

Valley Graphics & Video Production, Valdese, NC
Freelance business, providing web site design, print design, videography and photography for numerous clients including: PBS National (Chicago), Times Fiber-Amphenol, Park Dansan, Pan American Screw, Buck Stove Corporation, Toney Tours, Southern Pump & Tank, Classic Leather, Beanstalk Builders, Caldwell County Schools, Catawba County United Way, YMCA of Avery County and many others.

Special Skills & Interests

Superb software skills with Adobe CC Suite. Expert level in Dreamweaver, Photoshop, InDesign, Premiere Pro, Illustrator and Audition. Highly skilled in various CMS packages including Wordpress. Have used Microsoft Office Suite since early 1990's (Outlook, Word, PowerPoint, Excel, Publisher, Lync, Sharepoint, Access & others).

Personal - I enjoy architectural drafting and design, painting and drawing, songwriting & musical arranging, photography & videography. I also enjoy physical activities including swimming, hiking, gardening and exploring. I am a skilled and active carpenter & gardener. I maintain an active and popular YouTube channel providing tutorials, graphic design advice, musical performance, travel tips and social commentary.
